

DAIRY WOMENS  
NETWORK

# Double bill workshops on financial planning

Women will learn how to take charge of their dairy farm's financial situation.

These are practical, interactive sessions that provide information about how to make the best financial decisions for dairy farming businesses.

## TWO WORKSHOPS:

### 1. The Organised Office **Beginner level**

Is your office as streamlined as it could be? What tools and systems are there for organising this vital space? Learn how others make their offices hum! This workshop will also give some basics about farm accounting and personal finance so you can really start seeing the benefits of The Organised Office.

### 2. Essential Farm Finance **Advanced level**

In this new workshop you will use your budget and farm accounts information to look at benchmarking and learning how to assess a business decision such as buying feed, buying a herd or a farm, leasing a runoff or putting on a sharemilker, to putting together a proposal to take to the bank.

February to April Dairy Days 2012

*Please join us for this practical workshop. We are confident you'll find it a great investment.*

**REGISTER! Online:** [www.dwn.co.nz](http://www.dwn.co.nz) **Phone:** 07 838 5238 **Email:** [info@dwn.co.nz](mailto:info@dwn.co.nz)

The Dairy Women's Network thanks our network funders and partners
