My Motivation Plan

While influencing people's motivation is complex, there are some things which you as manager can do and control right away that will influence the motivation of your team.

List five things you could do right away that will have a positive effect on motivation in your team.

1. _____
2. _____
3. _____
4. _____
5. _____

Now think about two individuals within your team. What specific things do you think you could do to motivate them?
